

# GOSDEN HOUSE SCHOOL

## GOSDEN NEWS

31<sup>st</sup> March 2023

Hello, I am Ginny and I am the new Arts Co-ordinator, my job is to ensure the smooth running and efficiency of all the arts programmes within the school. I am a professional voice and dialect coach having worked with actors and dancers. I came here as a part time Learning Assistant to fit in with the school run but I liked it so much I stayed!

Here at Gosden, we are set on educating our children's whole being and that is why we think the arts are so important. They encourage a positive culture and climate within our school. Drama and the arts allow us to develop a safe space for our children to learn and experiment, allowing them to grow in confidence and learn how to think positively about themselves and their learning. Drama allows our children to connect new knowledge to personal experience and express what they have learned to their peer group and others. We have seen that it increases a child's confidence, concentration, motivation and teamwork.

The children engage in weekly music lessons with Jonny (musician, songwriter, producer), we have choir and band practice every week, where the children can learn a pop song or practise chords on the drums, bass guitar, keyboards and ukuleles working towards a completed piece of music. We regularly have Rocksteady Music visit us where the children can learn together in a rock band. **Stopgap Dance Company** are also frequent visitors to the school and our Arts Award pupils (Year 10 and 11) get to work with professional dancers on a devised piece that leads to a finished performance. We also have our resident artist, Trudy, who is always busy with the children, more recently putting together artwork with our Owl and Rabbit classes to display at Farncombe Station.

*Ginny*

Virginia Tasker, Arts Co-ordinator

Don't forget to keep an eye on our website for updates and useful information:

### Cranleigh Arts Centre

Artwork by Gosden children is being exhibited alongside local artist, Mary Hainline. Supported by the Arts Society Guildford this is an exhibition definitely worth visiting.

Cranleigh Arts Centre. It is open until 17<sup>th</sup> April, closed on Sundays.

### School Council News

The school council arranged a fantastic fundraiser on Red Nose Day with so many exciting activities across the school. We raised £95.

This week we have been collecting for the Turkey Earthquake Appeal with an Easter Raffle. We have raised £76.

## DATES FOR THE DIARY

<b>Monday 17<sup>th</sup> April</b>	<b>First day of Summer Term</b>
<b>Friday 28<sup>th</sup> April</b>	INSET DAY
<b>Monday 1<sup>st</sup> May</b>	May Day Bank Holiday
<b>Monday 8<sup>th</sup> May</b>	Bank Holiday (in lieu King's Coronation on Saturday 6 <sup>th</sup> May)
<b>Monday 29<sup>th</sup> May – Friday 2<sup>nd</sup> June</b>	Half Term
<b>Monday 5<sup>th</sup> June</b>	Back to school
<b>Friday 21<sup>st</sup> July</b>	Last day of Summer Term, 1.30pm finish

# EGGS Factor

This week we had our very own **EGGS Factor**.

How can one school have so much talent? So many performers singing, dancing, telling jokes, performing gymnastics routines and so much more!

We even had special judges: Liz from Liverpool, A cowgirl from America and Bruno from Italy! Charlotte the Fabulous and Wilson Wonderful.

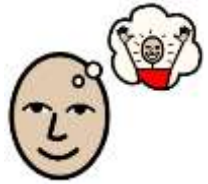

"The Eggs Factor was amazing and the judges were hilarious!"  
**Woodpeckers**

"It was so good and we loved performing for everyone."  
**Squirrels**

# ROBINS

This half-term, the Robins have been learning all about Dinosaurs! It has been a very interesting topic, and we have really enjoyed getting '**Creative**' and messy. The Robins worked together to make some collaborative art work– a humungous Diplodocus decorated using paint dabbers!

We have been so impressed with the brilliant effort in Literacy from all of the Robins. They have been '**Exploring**' some different sources of information and demonstrated some amazing '**Learning Together**' when sharing the facts that they have discovered. They have created their very own Dinosaur fact files using the information they have learned, with some beautiful mark making and letter formation.

We are very proud of all of the Robins hard work and determination this term, particularly as they have '**Kept Trying**' when working to build their independence and self-care skills.

In Maths, we have seen lots of '**Problem Solving**', where the Robins have been working on identifying and sequencing numerals. We have even been trying to find the missing numbers from a sequence (they may have been eaten by a T-rex!).

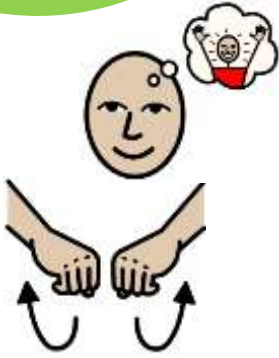

This half-term, Rabbits have been exploring the topic of 'Dinosaurs'.

# RABBITS

## Literacy

We have been learning about lots of different dinosaur names and have been very 'Creative', using WOW words to describe what they look like. Our favourite dinosaurs in Rabbits have been the 'Stegosaurus' and 'Tyrannosaurs Rex'. Rabbits have also been busy using their 'Keep Trying' learning habit to practice their pencil control and letter formation.

## Creative & Curious

In our Creative & Curious lessons, Rabbits have been busy using their 'Exploring' and 'Creative' Learning Habits to adopt the role as 'paleontologists' to dig for dinosaur bones in the sand. They have made 'dinosaur goo' and used a variety of different tools to make dinosaur skin prints in Art. Rabbits also enjoyed using their 'Learning Together' skills to explore frozen dinosaurs!

Rabbits looked so wonderful in their World Book Day costumes!

## Numeracy

In Numeracy, Rabbits have been using their 'Noticing' and 'Keep Trying' Learning Habits to measure the length and height of dinosaurs using non-standard units of measure. We have continued 'Exploring' numbers using 'one more' and 'one less' language and even made a dinosaur stew by adding the correct number of ingredients! Rabbits have also enjoyed making dinosaurs using a variety of different shapes.

# OUTDOOR LEARNING

This week Foxes Class were visited by Rob and Jill from Halow. Rob, a former pupil of Gosden gave an impactful talk on the importance of bees and pollination for the environment.

The class then went outside and made our own seed bombs with Rob. He taught us how to make them and explained what would happen to the seeds in the bomb.

The learners loved having a new face in the class and were very excited to throw their seed bombs in our walled garden.

We are hoping Jill and Rob will return to Gosden soon to teach us more about looking after our garden and taking care of our environment.

Bridget had a really inspiring Forest School session with some Primary children. They created their own A line using ropes and a hitch knot. Their shelter was waterproof and perfect for eating snack in. We made our own tent pegs by shaving wood with potato peelers. The peg tents were used to secure the tarpaulins.

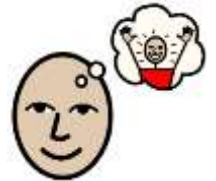

# SQUIRRELS

Squirrels class have taken on a lot of challenges in their learning this half term and we are very proud of all of them. Well done Squirrels!

In Literacy we read "The Ugly Five" by Julia Donaldson. This very funny book introduced us to some new African animals. We decided to find out more about these animals and researched them in groups using iPads. We created animal fact files in the style of a Top Trumps card. We even enjoyed showing off our fact files and reading out some of our facts in assembly!

In Maths we carried on with subtraction, learning about "find the difference" and "how many more?" Squirrels class got really stuck in and used their **Learning Together** and **Explaining** 'Learning Habits' to develop their understanding. We have also done lots of counting the last few weeks! We have been working on careful counting, counting one object at a time, as well as skip counting in twos and tens. Everyone has taken on this challenge and used their **Keep Trying** Learning Habit.

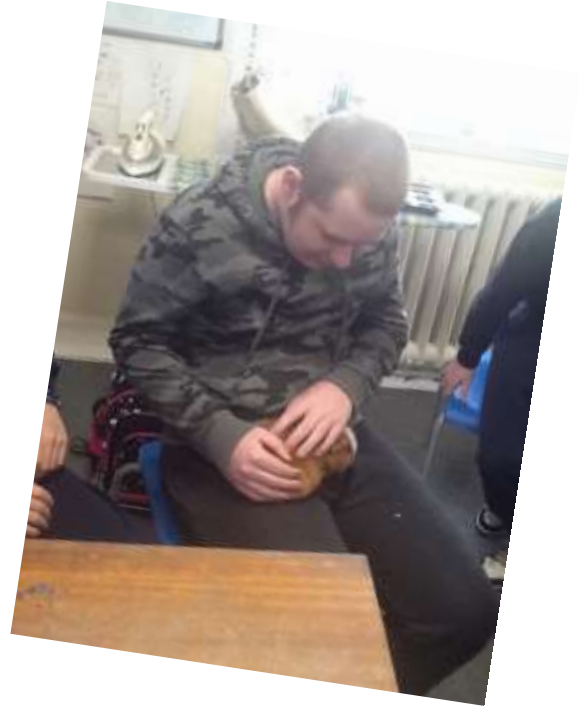

This week we had Eggs Factor and it was lovely seeing so many of Squirrels class take to the stage to perform songs and dances with their friends.

This half term we also had our "Reading for Pleasure" Focus Week. We looked at Rachel Isadora's version of Hansel and Grettel and we had lots of fun acting our parts of the story and retelling it! We created art based on the story and enjoyed baking our own rock cakes. We also went and explored Bramley Library, enjoying books in anew setting and learning about what community libraries offer.

# YEAR 10

Year 10 have been donated 4 guinea pigs. They are currently living in the Lighthouse and came to meet Year 10 on Thursday.

## Round Two at The Forge

The Creative Cookie Squad have spent the last five weeks working hard at The Forge in Shamley Green. They have taken part in a fantastic social enterprise project and learnt lots of new skills including: customer service, till skills and baking. They have grown in confidence throughout the project and represented the school to a high standard. As part of the project, the group sell their own cookies to the public and choose how they would like to spend the profit. This group have decided to improve the outdoor learning space at break and lunch times for KS4 and the money raised will be going towards some fabulous new equipment.

**The Creative Cookie squad raised a total of £320.**

A huge thank you to The Forge and their hard work. Please have a look at their website to see all of the amazing work they have done with Gosden House over the academic year.

<https://www.forgeonthegreen.co.uk/about-5>

## Muffi Day

As part of their community action coursework, some of the Year 11 students have chosen to support the local charity, Matrix. Their goal is to work with children and young people in the community to improve wellbeing and mental health so that they can live full, fun and confident lives. They offer a lifeline for vulnerable young people across Guildford.

The charity have also supported our young adults, by offering work experience opportunities, as well as an exciting Traineeship for one of our learners in the summer term.

The Year 11 students will be carrying out a variety of different activities in order to fundraise, starting with a muffi day!

This will take place on Wednesday 26th April. Please can students donate £1 in order to wear their own clothes. All proceeds will go to the charity.

# YEAR 10 & 11 DAY OUT

## A Day Out

This week, Year 10 and 11 took a trip into Guildford. They all used their '**Being Brave**' Learning Muscles on the trip. Some of them took the train into Guildford, which was exciting, whilst some of the group met us in Guildford and travelled via minibus.

Once we arrived, we went to Metro Bank for a tour. The most exciting part was when we got to go into the vault! Some of us even got to open one of the drawers to reveal a special prize. The staff were very friendly and helpful and we were all awarded a certificate and goody bag from the Metro mascot.

After a busy morning, we were all very hungry, so we went into the Friary to get our lunch. The group showed fantastic independence skills, as we ordered and collected our food without any adult help.

A brilliant day! The students were very responsible and a pleasure to take out.

# GORDY VOCATION STUDIES

We enjoyed a walk round Broadwater Park but the highlight of the visit was stopping at the Waffle Van. Everybody ordered what they wanted and paid for the items themselves. Hot chocolate with marshmallows and cream was by far the most popular! Claire, Lindsay and I were very proud of the students as they were polite, waited their turn and great ambassadors for Gosden House. Well done guys!

# GORDY

This half term Gordy have finished filming their remake of the Wizard of Oz. There were lots of challenges to overcome, including learning lines, getting into character and learning how to use a camera effectively. We had to use several Learning Muscles, including **Being Brave** and **Keep Improving**. We are very proud of the final takes and hope to share the finished version soon.

In English we have enjoyed learning about some topics relating to everyday life. We particularly enjoyed learning words related to the hairdresser's. We had a great time when hairdresser Maria came to our class to demonstrate some hairdressing techniques. We all had the opportunity do some acting and role play, although some of the styles that we ended up with not to our liking.

In Science, our topic has been "animals and humans". We looked at things that all animals have in common, including eating, building a home and having young. We enjoyed looking at model chicken eggs to find out the correct order in which baby chicks grow and hatch.

# GORDY

A big highlight of the term was World Book Week. There were some great costumes in the class – **can you guess who everyone is?**

We focused on Greek myths, reading the stories of Perseus and Medusa and the Labours of Hercules. We made our own Greek pots, learnt about the Ancient Olympics and even wrote our own Greek Myths.

## WELL DONE!

Congratulations to the following students for completing their 'Gosden Toolbox' and successfully collecting 10 'Life Tools'.

Developing these 'Life Tools' will help them now and also prepare them for their exciting future pathways.

# SANDRA'S NEWS UPDATE

Thursday 22nd March was our latest Parent Consultation and I had invited a few colleagues along for parents/carers to chat to. It proved very successful, especially as many children had already had lots of amazing, positive feedback at their Annual Review meeting. It was lovely to catch up with an "old Gosden Graduate" - Katy Gidley, who is now a Halow representative.

We also welcomed Lou Glencross from Surrey Welfare Rights Trust, Caroline Fegan, the Work Experience co-ordinator and Ciara, a Sixth Form tutor from Carwarden House, Calvin and Tracy from the County Care Community Skills projects and Sophie Reynolds, the EHCP co-ordinator from Guildford College.

It is great to see so many people keen to support our young people and their families and I hope as we move forward I can build on our network

EDUCATIONAL HEALTH & CARE PLAN

◆ find a link was very kindly sent through by a p.....

I contacted Surrey County Council to check how this can be done and they sent me a link.

<https://www.surreycc.gov.uk/roads-and-transport/buses-and-other-transport/tickets-and-discounts/disabledpeople>

## Free bus passes for disabled people

A free bus pass allows Surrey residents (aged 5 - older persons eligible age) with eligible disabilities to travel on buses free of charge.

It's valid between 9.30am and 11pm from Monday to Friday, and at any time on weekends and public holidays.

### In this section

- Eligibility and apply
- Reapply
- Replace a lost / stolen pass

### See also

- Free bus passes for older people
- Free bus passes explained
- Our privacy notices

### Useful links

I also have the link below that tells you about the 7 categories of eligibility:

<https://www.surreycc.gov.uk/roads-and-transport/buses-and-other-transport/tickets-and-discounts/7-categories-of-disability-to-be-eligible-for-a-bus-pass>

Just a reminder, if you have a young person who is thinking about college for a future pathway there are some open events coming up... for some of these you may need to have a look at the college website and register/book online

**Wednesday 26th April 4.30-7.30pm**

Guildford College

**10th May 4.30-7.30pm**

Merrist Wood College

**Saturday 20th May 10.00-1.00pm**

Brooklands College, Weybridge

**Saturday 17<sup>th</sup> June, 10.30am – 2.30pm**

Farnborough College of Technology Family Fun Day

## LinkAble Next Steps

Supporting you on the journey to adulthood

LinkAble Next Steps provides a supported environment where 12 - 18 year olds with learning disabilities can learn new skills, build independence and explore their community

### What's on?

**Term-time groups**

- Monday: Without Walls, 6:30 - 8:30pm
- Tuesday: ASD Game Night, 6:30 - 8:30pm
- Friday: Stopgap Dance, 5:30 - 7:00pm
- Alternate Saturdays: Saturday Club & Link Up Saturday 10:30 - 4:30pm
- Sunday: ActAbles Academy, 10:00 - 11:00am

**Holiday Schemes**  
Half-terms, Easter, Summer, Christmas.

## All about LinkAble groups for teens with learning disabilities

### Groups for individuals that do not require 1:1 support

#### Monday: Without Walls (6:30 - 8:30pm)

This friendly social group is for 16 - 24-year-olds who want fun experiences at our centre in Woking and out in the community. Each month has a planned programme of activities like movie nights, cooking, crafts, music and bowling. Attending is a great way to make friends and join in activities that build and enhance essential living skills. The sessions cost £8 plus the activity cost.

#### Tuesday: ASD Game Night (6:30 - 8:30pm)

This relaxed group is for individuals with autism and ADHD aged 12 - 19 years old. The group enjoys activities such as group games, sports, board games, crafts and baking. Attending this group is a great way to make friends and enhance essential living and social skills. The sessions cost £8 plus the activity cost and they take place at our centre.

#### Friday: StopGap Dance (5:30pm - 7:00pm)

Stopgap is an integrated dance company that works in collaboration with LinkAble to run dance sessions every Friday evening in term time. The sessions incorporate sensory exploration and promote a balanced and active lifestyle. Participants learn simple dance moves together as a group and put on performances twice a year. The session takes place at our centre and costs £10.

#### Saturday: Link Up Saturday (10:30am - 4:30pm)

These Saturday sessions run twice a month and they are for individuals aged 12 - 19 years old. The sessions focus on building and developing life skills, with participants working towards badges by completing activities and challenges. Activities will include craft projects, life skills development, travel training, hobbies development, community activities and volunteering, supported social activities, cooking practice and exercise. These sessions run from our centre in Woking and cost £30.

#### Sunday: ActAbles Academy (10:00am - 11:00am)

ActAbles Academy is a drama group for young people aged 11 - 19 years old. The sessions are run by drama professionals who help participants to learn basic performance skills in an inclusive and supported environment. It provides an opportunity for young people to gain an understanding of social situations with the ultimate aim of 'performing together' in front of an audience. ActAbles Academy runs on a Sunday in term time from 10am - 11am at our centre in Woking. The session costs £10.

### Groups for individuals that require 1:1 or 2:1 support

#### Saturday Club (10:30am - 4:30pm)

Saturday Club takes place two Saturdays each month during in term time. The sessions are suitable for children with learning disabilities aged between 12 and 19 years. A wide range of fun and engaging activities are on offer over the course of a term, so there is something to suit everyone. Onsite activities include spending time in our sensory room or soft play area, cooking, crafts, science experiments and outdoor games that encourage socialisation and the development of new skills. Saturday Club is based in Woking and runs for six hours between 10:30am and 4:30pm. These sessions cost £28.

#### Holiday Schemes (9:30am - 4:00pm)

Our holiday schemes are for young people aged 12 - 19 years old. The schemes provide a wide variety of activities to suit many different interests. Often young people can enjoy activities such as soe dance days, baking, outdoor games and discos. To ensure a wide range of experiences we use our minibuses to run offsite trips in the local community. Offsite activities include visits to theme parks, trampoline parks, bowling and adventure playgrounds. LinkAble holiday schemes operate in line with Surrey County Council school holidays. We run schemes during every school holiday, including half terms. Sessions for our holiday schemes are £30 and take place in our centre and out in the community.

# DONATIONS and THANK YOU'S

A massive thank you to Emma Songhurst, one of our Learning Assistants at Gosden. Through her contacts, she has managed to get us some brand new kitchen cupboards for the common room in The Lighthouse. Along with the new cupboards and the money raised by our previous Year 11 group at The Forge, this learning space will be transformed for our KS4 students. Also, a big thank you to Adam and Brian, who will be working hard to get those cupboards fitted for us.

## New Wheelbarrow!

Many thanks to Chris & Sherrie Duigan who have donated a fabulous new wheelbarrow. It's already been put to good use!

If you would like to make a donation to the school you can do so via the Gosden Children First charity page by clicking on this link

<https://wonderful.org/charities/1049925>

You are able to donate directly or to a particular fundraising page that you would like to support.

What a treat!

Some of the parents/carers who attended the Parent Consultation recently had the opportunity to pick a sample out of the basket on the Pastoral table. Lush in Guildford kindly provided some Sleepy Body Lotion and Golden Egg Shower Gel so we could spoil you as you work so hard to support your children and their educational and other needs.
