

Gosden House School

Primary PE and Sport Premium Report 2024-2025

Total Grant Received: £16,544

Total Spend: £15,505

Amount Carried Forward: £1,039

Statement of Intent

As a school for pupils with moderate learning difficulties, the PE and Sport Premium is used to support not only physical development but also communication, social skills, mental wellbeing, engagement and personal development. The funding also contributes to supporting pupils' Occupational Therapy (O.T.) and Physiotherapy needs through structured physical activity, movement and specialist input.

Breakdown of Spending

- **Consumables:** £183
- **Equipment and Maintenance:** £2,920
- **Bought-in Curriculum Professionals (Sports 7, Judo) and Swimming Contribution:** £12,402

Total Spend: £15,505

Key Indicator 1: Increased Staff Confidence, Knowledge and Skills

Staff have worked alongside specialist coaches (Sports 7 and Judo providers), which has supported the development of confidence in delivering inclusive and engaging PE sessions. This has improved teachers' understanding of how to adapt activities to support pupils' communication and learning needs.

Key Indicator 2: Engagement of All Pupils in Physical Activity

All pupils have been supported to access meaningful and regular physical activity. Activities have been adapted to meet individual needs, ensuring high levels of engagement and participation. This has contributed to improved confidence, reduced anxiety and increased willingness to take part in group activities.

Key Indicator 3: Raising the Profile of PE and Sport

PE and sport have continued to play an important role in the school curriculum. Pupils have benefitted from structured, high-quality sessions delivered by specialist providers, which has reinforced the importance of physical activity across the school and supported wider engagement in school life.

Key Indicator 4: Broader Experience of a Range of Sports and Activities

Spending: £12,402 (Sports 7, Judo, Swimming contribution)

Pupils have accessed a broad and balanced PE curriculum, including multi-sports sessions and judo. These activities have supported teamwork, coordination, discipline and body awareness.

Swimming provision has ensured that pupils have opportunities to develop water confidence, safety skills and overall physical strength, while also supporting therapy needs.

Key Indicator 5: Increased Participation in Competitive Sport

Pupils have been supported to engage in structured and adapted competitive activities where appropriate. These experiences have developed resilience, teamwork and understanding of rules within a supportive and inclusive environment.

Equipment and Maintenance

Spending: £2,920

A higher proportion of funding this year was allocated to maintenance, including tennis court refurbishment and sports field line markings. This has ensured that facilities remain safe, accessible and suitable for pupils, supporting high-quality PE provision.

Consumables

Spending: £183

Consumables were purchased to support the delivery of PE sessions and ensure that activities could continue safely and effectively throughout the year.

Overall Impact

The PE and Sport Premium has had a positive impact on pupils by supporting communication, social skills, mental wellbeing, engagement and personal development. Pupils are more active, more confident and better able to work collaboratively. Improvements in physical development have also supported increased independence and participation.

Sustainability and Next Steps

Funding carried forward (£1,039) will support continued development of PE provision in 2025–2026. The school will continue to invest in specialist provision, maintain facilities and equipment, and ensure that physical activity remains central to supporting wider developmental outcomes for all pupils.
